

# Altar Guild Flowers

Our church allows a variety of ways in which our members may express their devotion to God. Over the years flowers have added beauty, enriching our worship services. Contributions to the Altar Guild Flower Fund are one such way that one might express their devotion. You may contribute either in memory of a loved one, or in thanksgiving (cost is \$35.00). Please specify the date you wish to set aside and how you want the memorial to be read. Thank you for your continued support to the Altar Guild.
